■ Rental makes sense

Whether you are looking to provide a short term solution for new staff waiting for their company car, need to cover a car or van that is off the road or want a safer alternative to asking employees to make business trips in their own vehicles, Arval Vehicle Rental is a flexible, reliable and cost effective solution.

What's more, when you decide that rental is the right option for you it is important to select a supplier that you can rely on to deliver what you want, when you want it.

As one of the largest business suppliers of vehicle rental in the UK Arval won't let you down.

Call us on 0870 013 1212

■ Why Arval?

As a market leading fleet management company, our rental service brings you choice and experience. Not only can we offer you competitive pricing but our unique rental solution allows us to provide a quality service as well as saving you time and money.

We are owned by BNP Paribas, ranked as one of the top banks in the world. The stability that this provides allows us to offer long term fleet solutions at competitive rates, giving you peace of mind.

As a leading fleet management company our broad range of solutions allow us to take a holistic approach to all your fleet needs. As well as rental we offer:

- Vehicle funding
- Fuel management
- Driver administration solutions
- Accident management
- Breakdown
- Risk management
- Maintenance management

This means that you can benefit from one point of contact, economies of scale and reduced administration supported by our broad expertise and best practice advice.

■ A rental service that won't let you down

You can hire vehicles for a period of one day up to a year. Whatever you need you can always be sure that we work to one set of priorities... yours.

■ Extensive vehicle choice

With more than 150,000 vehicles available through our network of major suppliers we can get the right vehicle to you at the right time, every time.

The peace of mind that this provides means that you don't need to set up alternative sources of supply.

■ Delivered fast

With over 850 UK locations our vehicles can be delivered in as little as two working hours. We can even deliver to and collect from the driver's workplace or home.

With such a large pool of vehicles to choose from, nationwide coverage and strictly managed suppliers we can deliver the vehicle that you need quickly.

■ Dedicated rental teams

Whether you are booking rental or reporting on it, our experienced in-house staff will be able to help.

Arval has one of the largest in-house rental support teams in the leasing sector. Therefore, regardless of the nature of your query, Arval can provide a quick response to you or your drivers, saving you time and hassle.

■ Unique contract features

Because of our market leading position, Arval has been able to negotiate a range of unique contract features.

- Should your rental vehicle be damaged whilst on hire to you, Arval will not charge for any loss of use.
- Our competitive, fixed delivery and collection charges mean no hidden costs, irrespective of distance.
- We offer generous mileage allowances.

■ Consistent supplier performance

Our suppliers are individually monitored to ensure the highest quality service and the best rates for our customers.

We have carefully selected our suppliers to ensure that we can cater for all of our customers' needs. As a consequence Arval Rental comes with a 'supply guarantee'.

Providing you give us at least 2 hours notice we will guarantee the supply of a standard rental vehicle, so you don't have to arrange a back up supplier.

■ Online booking

Our new online booking system provides flexibility and saves you time, offering full visibility of past, current and future bookings.

■ Online reporting

Our sophisticated IT platform provides around the clock access to standard reports, such as P11D, 4th EU Directive and rental spend.

■ Other features include:

- 59 minute grace period.
- One-way bookings.
- Airport coverage.
- Taking vehicles overseas.
- Meet and greet service.
- Out of hours/emergency service.
- Pick up and drop off service.

Longer term rental

When you need to bridge the gap between daily rental and longer term leasing, Arval MiniLease is one of the most cost effective solutions in the market.

With a wide choice of models, including commercial vehicles, available within 48 hours it's perfect for situations such as staff secondments, probation periods or as a pre-contract vehicle.

MiniLease allows you to operate vehicles for a flexible period of time, with minimal administration and no early termination fee after 28 days.
