Why choose an insured leased vehicle?

You'll have the certainty of a fixed monthly outgoing for all your vehicle costs consolidated in one place at a competitive price for the duration of your vehicle's term (up to five years)

Shortfall protection on your vehicle to bridge the finance gap in the event of a write-off

We don't have to wait for authorisation to repair your vehicle, significantly reducing your downtime and getting you back on the road quicker

Cover starts on the day of delivery, so you can rest assured that this will continue right through to when we collect the vehicle

You'll receive a hassle-free approach to your vehicle needs, saving you time and money. Because everything you need is in one place, you won't need to shop around for insurance renewal quotes

In addition to new vehicles, you can add Arval Total Care to an existing Arval lease providing you meet all the criteria, giving you full peace of mind

For Business Lease, Arval Total Care utilises the tax and financial benefits of Contract Hire, which may enable you to reclaim the relevant VAT charges where appropriate.

Disclaimer: Arval Total Care is subject to terms and conditions and acceptance criteria.
