Arval Contract Hire means that you know exactly what your monthly payments will be, helping you budget and manage your cash flow more easily. Our maintenance cover means that your car is maintained and serviced to keep it in excellent working order and we also provide you with an extensive breakdown package so that you are never stranded.

There are also several other advantages you'll probably only come to appreciate when you use Total Care. Such as the fact that you don't have to go through the hassle of comparing insurance quotes every year or that any help you need with your vehicle is only a phone call away.

This is the case if you are involved in an incident, when you will become part of an extremely efficient repair and management process designed to deliver the best outcome with minimum disruption.
