FOR TODAY, TOMORROW AND THE FUTURE...

ARVAL
BNP PARIBAS GROUP

We care about cars.
We care about you.

Affinity PCH

Looking to offer a flexible benefit to your employees with minimal impact to your team? Then Arval's Affinity PCH offer could help you.

Vehicle leasing has become an interesting option for employees in recent years. We have seen a shift away from people wanting to own their vehicles and take the responsibility of resale risks in a market which faces a number of challenges around CO₂ emissions and diesel vehicles. People wanting to try new technology without financial risks to themselves.

Key features:

FLEXIBLE

FIXED RENTALS

ATTRACTIVE BENEFIT

HASSLE FREE

Did you know?

It is predicted that the number of vehicles financed through personal leasing will rise by 10% before 2020. It has the potential to make electric vehicles and new technologies more affordable.

Benefits for staff:

A NEW/USED CAR

They can enjoy a brand new or used vehicle.

NO BENEFIT-IN-KIND*

Due to the agreement being a personal contract hire, there is no benefit in kind unlike a typical company car.

A FIXED MONTHLY COST

Your employees will know exactly what their monthly motoring outgoings will be.

CONTRACT FLEXIBILITY

We tailor the length of the contract to suit their needs from two to four years, taking into account their mileage needs.

FREEDOM OF CHOICE

There is a wide range of makes and models available.

RELIABILITY AND SAFETY

For safety and peace of mind employees can add our guaranteed maintenance option.

NO RISK OF DEPRECIATION

At the end of the contract, they hand the vehicle back to us. Employees will only be responsible for returning the car in a good condition in line with BVRLA guides.
